Attrape rêve

C'est le nom que Juliette, 14 ans, a donné au motif qu'elle a créé lors du concours "Crée ton motif" organisé par Proteor sur le site ScolioAdo de septembre à novembre 2016.

Dreamcatcher

That is the name given to that pattern drawn by Juliette (14), the winner of the contest «make your own pattern» organised by Proteor on its website Scolioado from september to november 2016.
